Re: MUR 6240

Dear Mr. Baker:

I received your January 4 letter in my office on January 11, 2010. I am apparently named as an additional respondent in an amendment to a complaint dated November 27, 2009, filed by John Mitchel of Beavercreek, Ohio.

I am the statutory agent (not the "principal agent") designated by Ohio law for Wellington Square, LLC and Wellington Square II, LLC, which are limited liability companies duly registered in the office of the Secretary of State of Ohio. This information is a matter of public record and, presumably, forms the basis for the complainant's naming me as a respondent.

Please be advised that there is absolutely no merit to the claim of Lt. Col. Mitchel, who is a political opponent of Honorable Dave Hobson, a former Congressman from our congressional district. The complaint and its amendment contain wild, unsubstantiated and rambling allegations of wrongdoing, misconduct, criminal activity and corruption which the complainant alleges as part of a political vendetta, with which your office may already be aware.

The complainant's allegations against me personally constitute both libel and slander, and I am considering formal legal action against him at a later date. The suggestion that I have "conspired to launder taxpayer dollars . . ." is beyond preposterous, as are most of the other allegations of the complaint and its amendment.
